System Access and Account Creation

To access the application system, go to https://onlineips.usm.my and log in as **Candidate**.

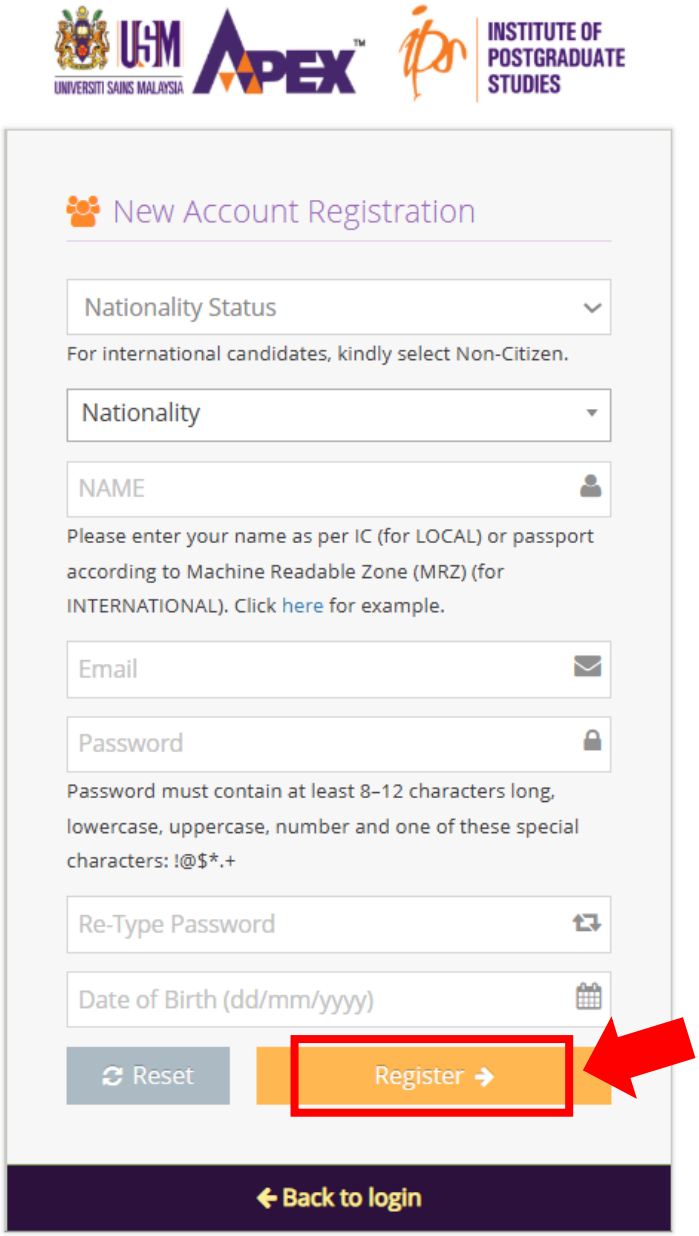

If you are a new user, please create an account before proceeding.

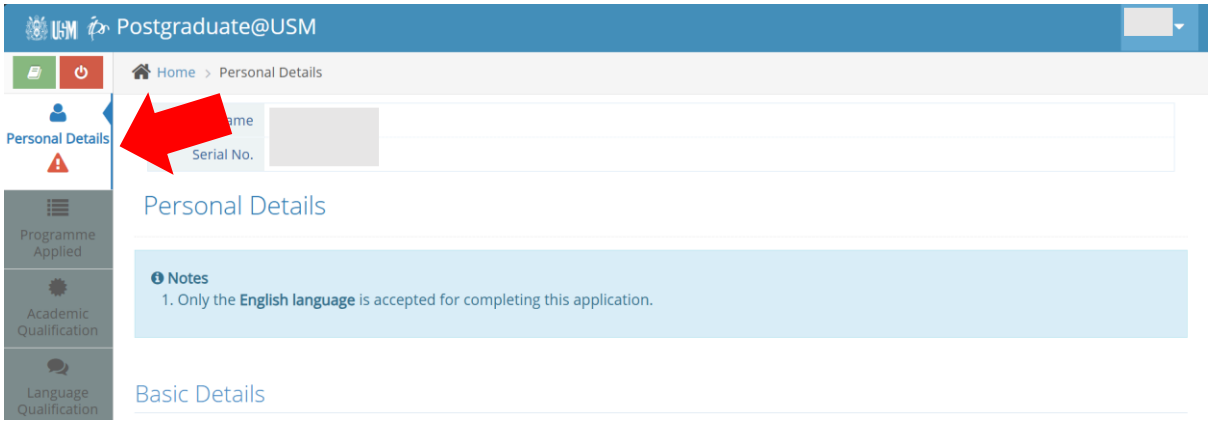

Fill in the details required for creating a new account and click the Register button.

Application Process Overview

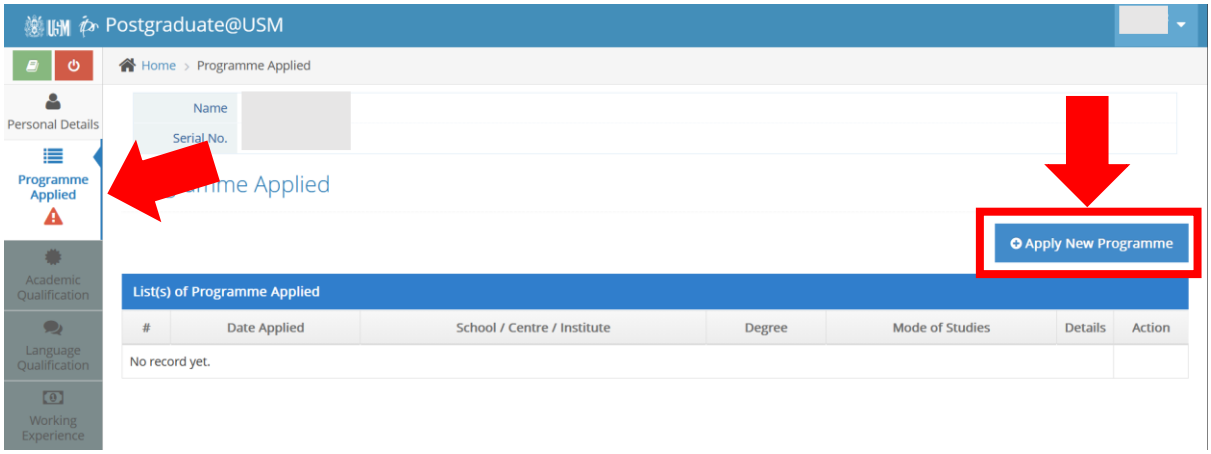

A) Personal Details

Complete the Personal Details section and click the Save button to unlock the next section.

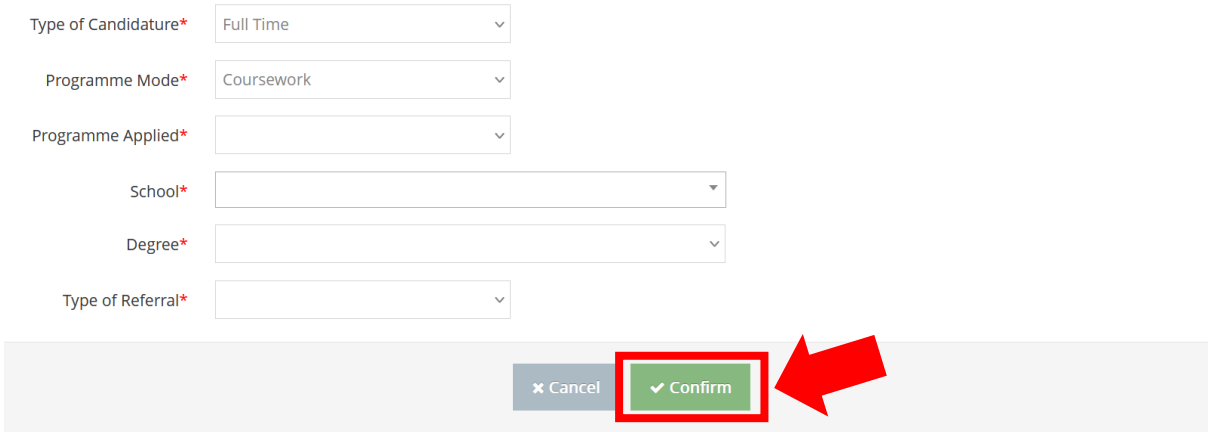

B) Programme Applied

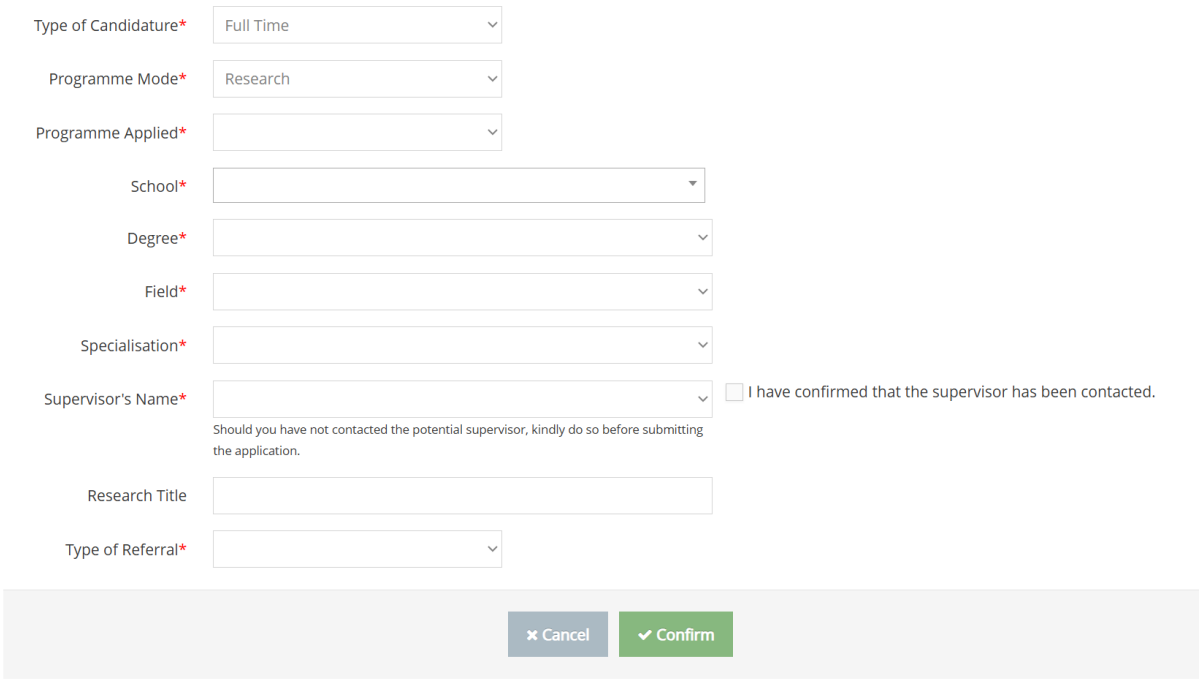

In the Programme Applied section, click the Apply New Programme button to choose your desired programme.

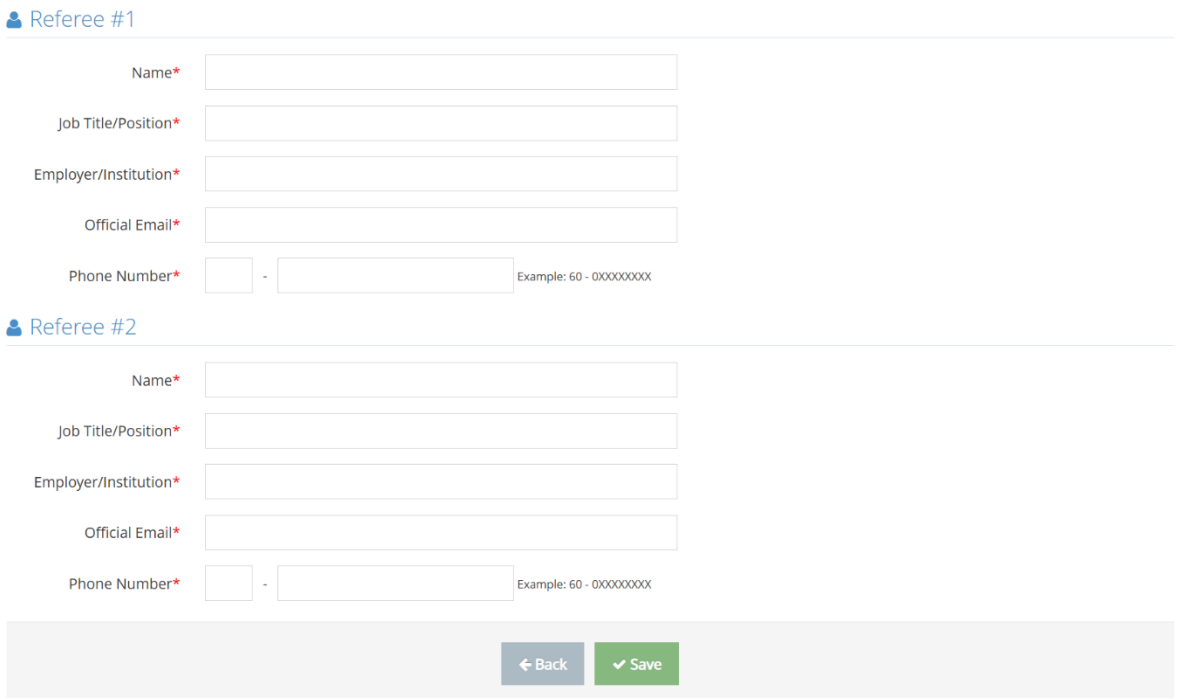

Fill in all the relevant details and click the Confirm button to proceed to the next section.

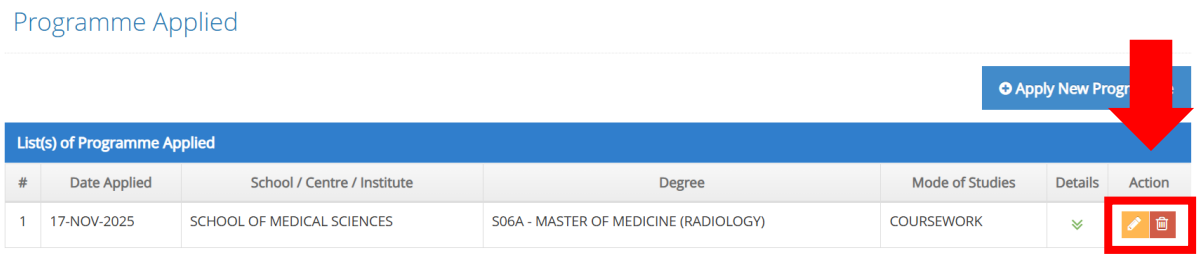

For Research Mode, additional information is required as shown below. If you are searching for a potential supervisor, please visit https://experts.usm.my/.

If you are applying for Research Mode or Master of Medicine programme, please fill in the required referee information.

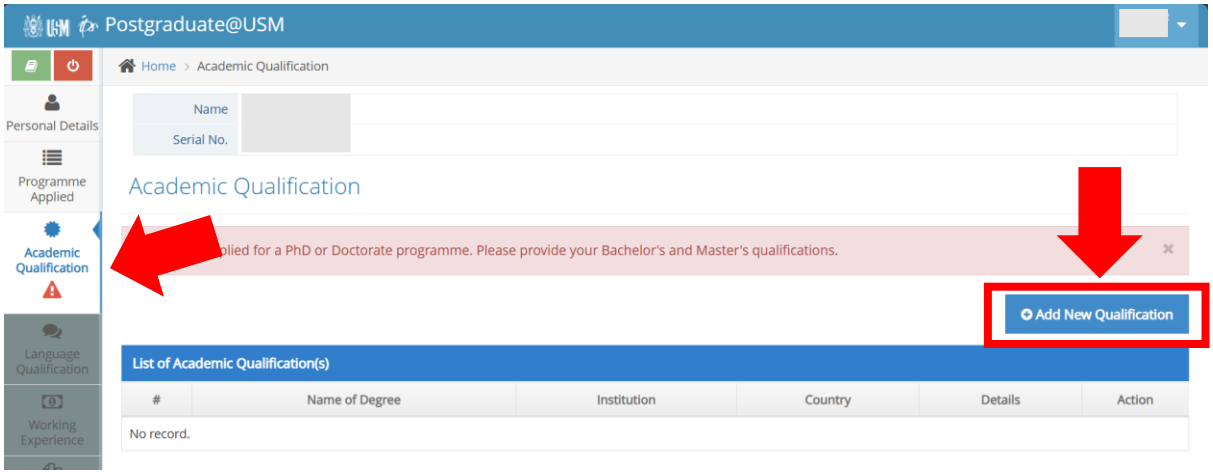

If you wish to edit or delete your selected programme, click the yellow button to edit or red button to delete the application under the Action column.

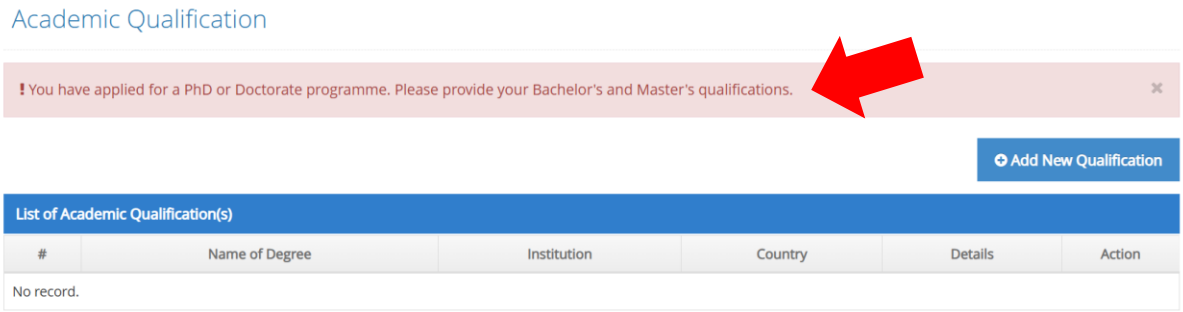

Note: This option will be disabled after submission of the application to IPS has been made. However, you may add a new record.

C) Academic Qualification

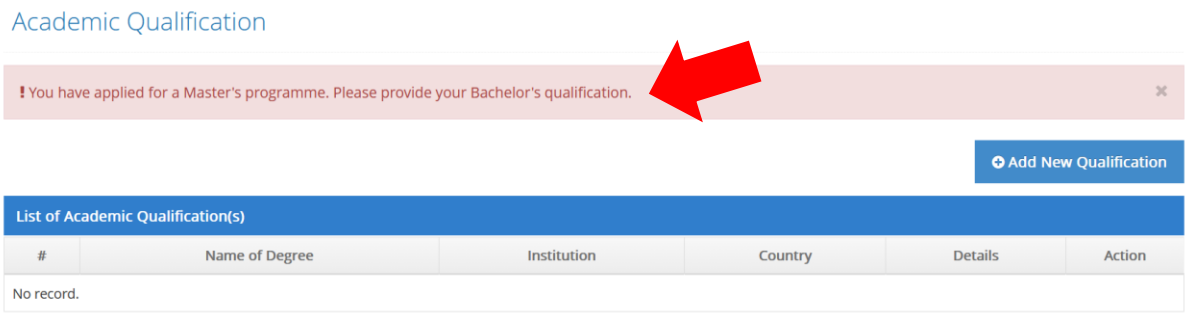

Enter your academic qualifications under the Academic Qualification section by clicking the Add New Qualification button.

Please be informed that for Doctor of Philosophy (Ph.D) or Doctorate programme, applicants MUST provide both Bachelor's and Master's degree information as stated in the system.

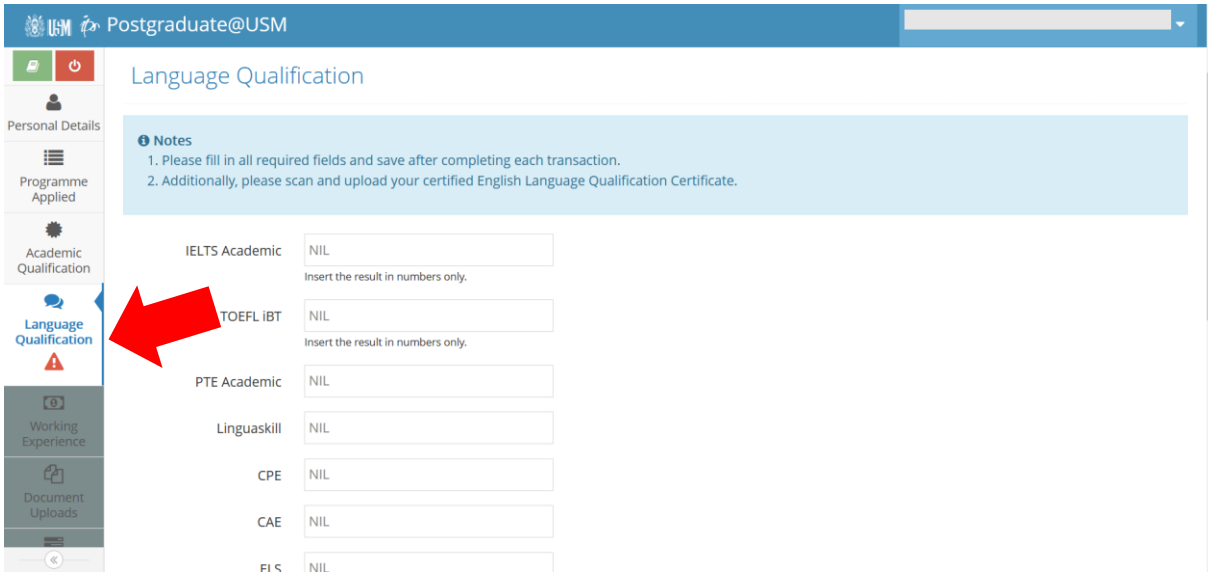

Meanwhile, for Master or Ph.D (Fast-Track) programme, applicants MUST provide their Bachelor's degree details.

D) Language Qualification

Provide English language test results or select the relevant exemption and click the Save button to continue.

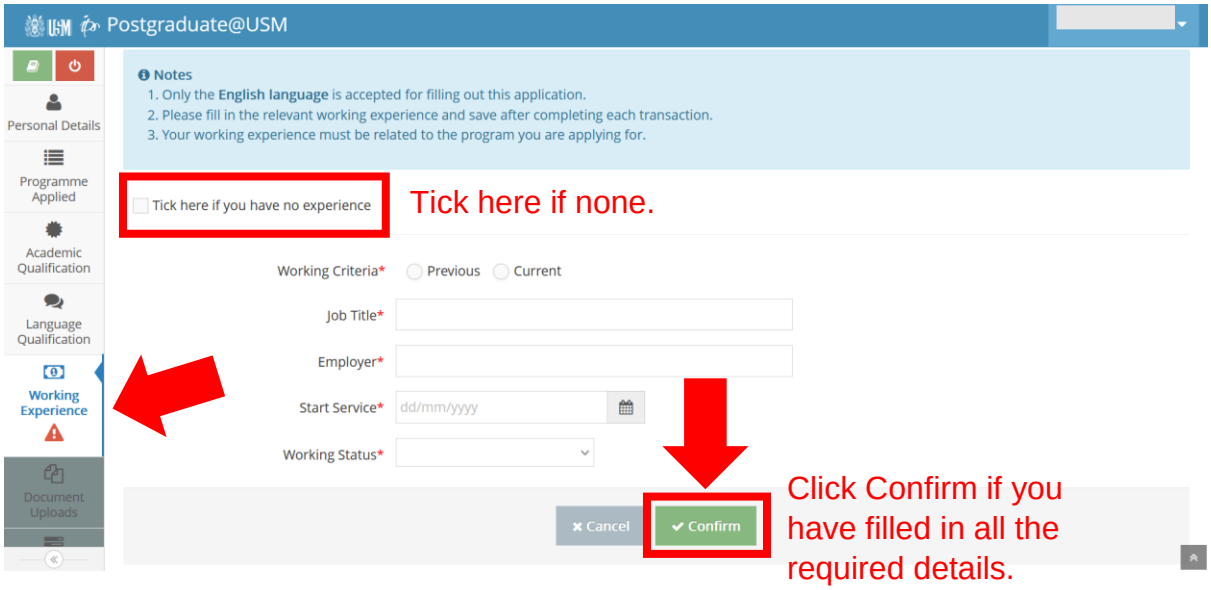

If your previous studies were conducted in English, provide an official letter as proof. Institutions from the US, UK, Canada, Australia, New Zealand, Malaysia, or Singapore are exempt from this requirement.

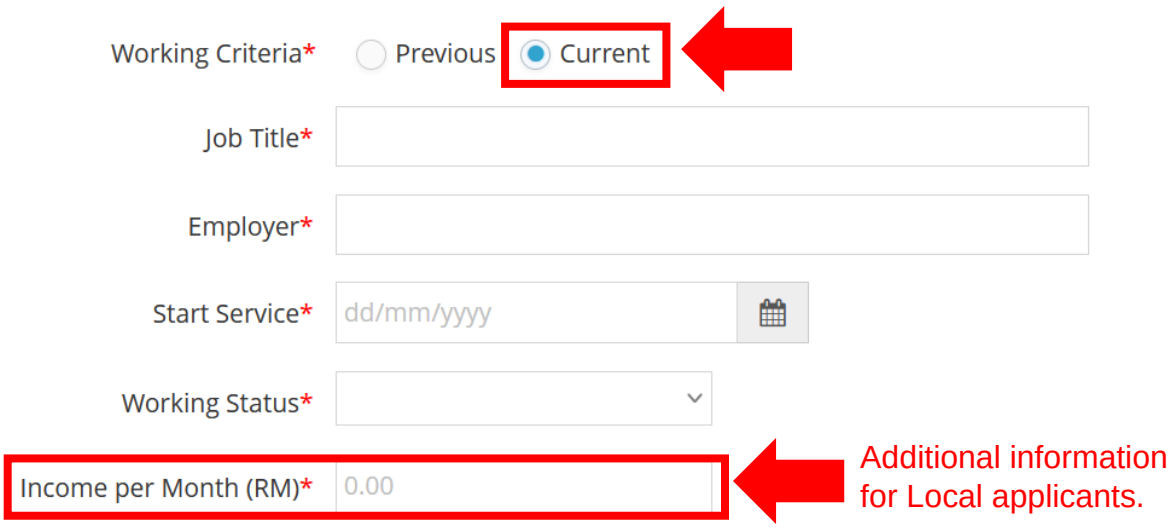

E) Working Experience

Provide the details of your working experience by filling the required fields and click the Confirm button to proceed.

If none, please tick the appropriate checkbox.

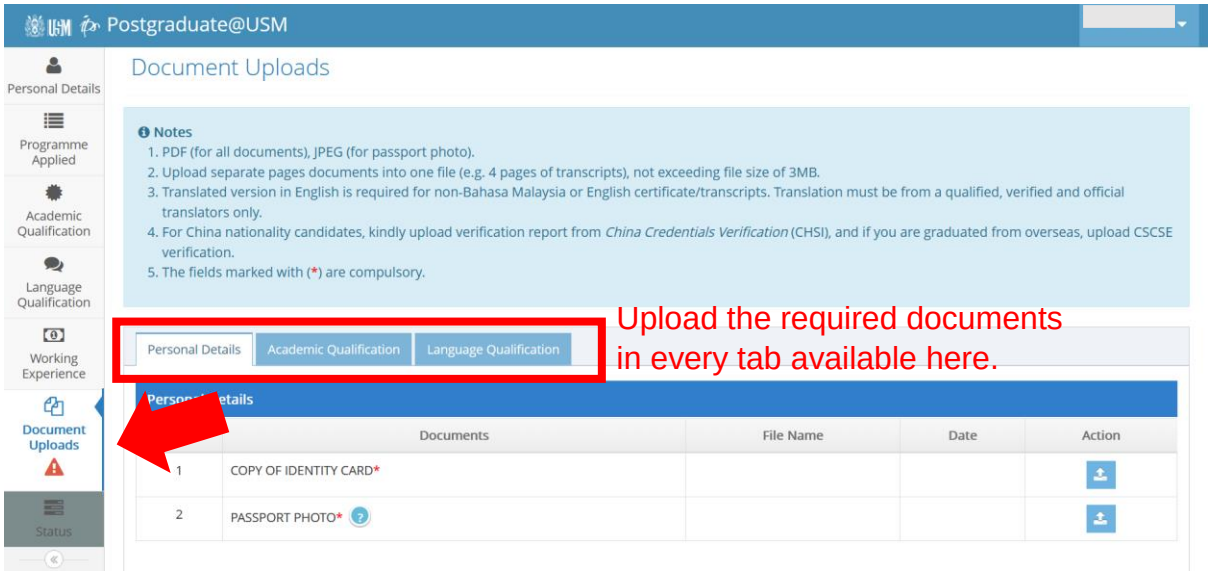

Please be noted that if you choose **"Current"** as the working criteria, it can only be recorded once. Thus, if you have multiple current jobs, please choose one that is appropriated. For Local applicants, an additional information is required if Current is chosen.

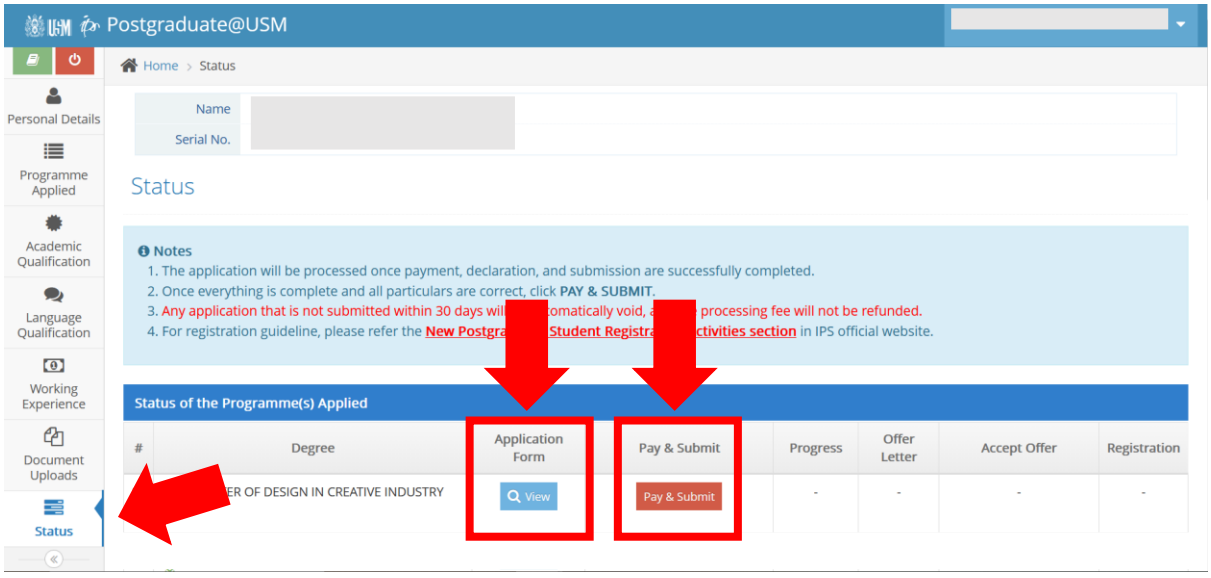

F) Document Uploads

Upload all the required documents.

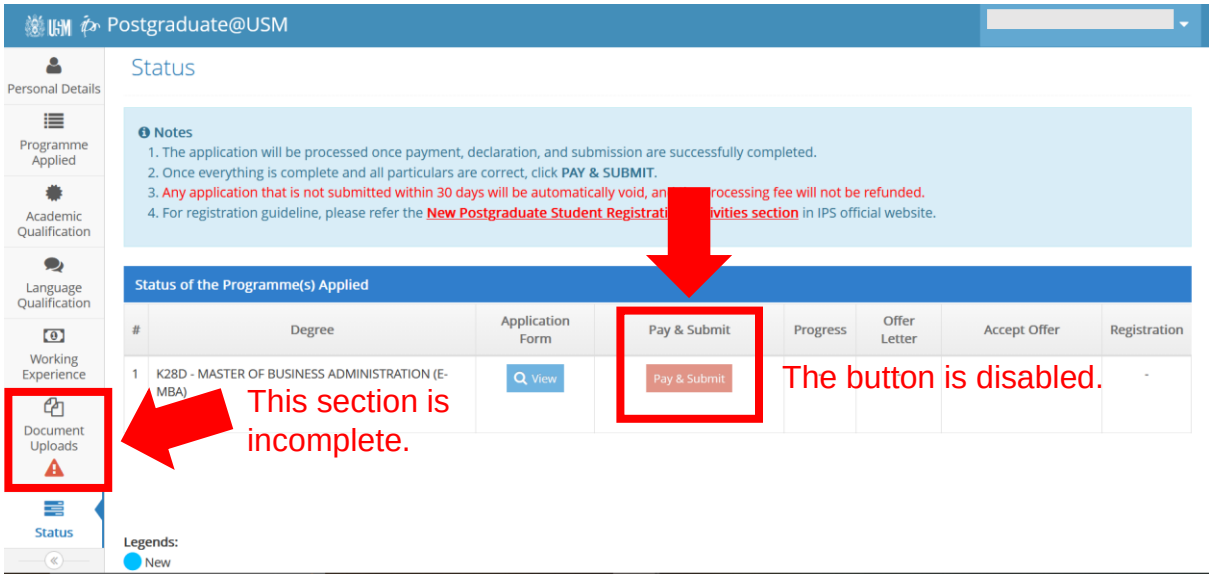

G) Status

In the Status section, you can review your application form by clicking the View button. If all information is accurate, proceed to Pay & Submit.

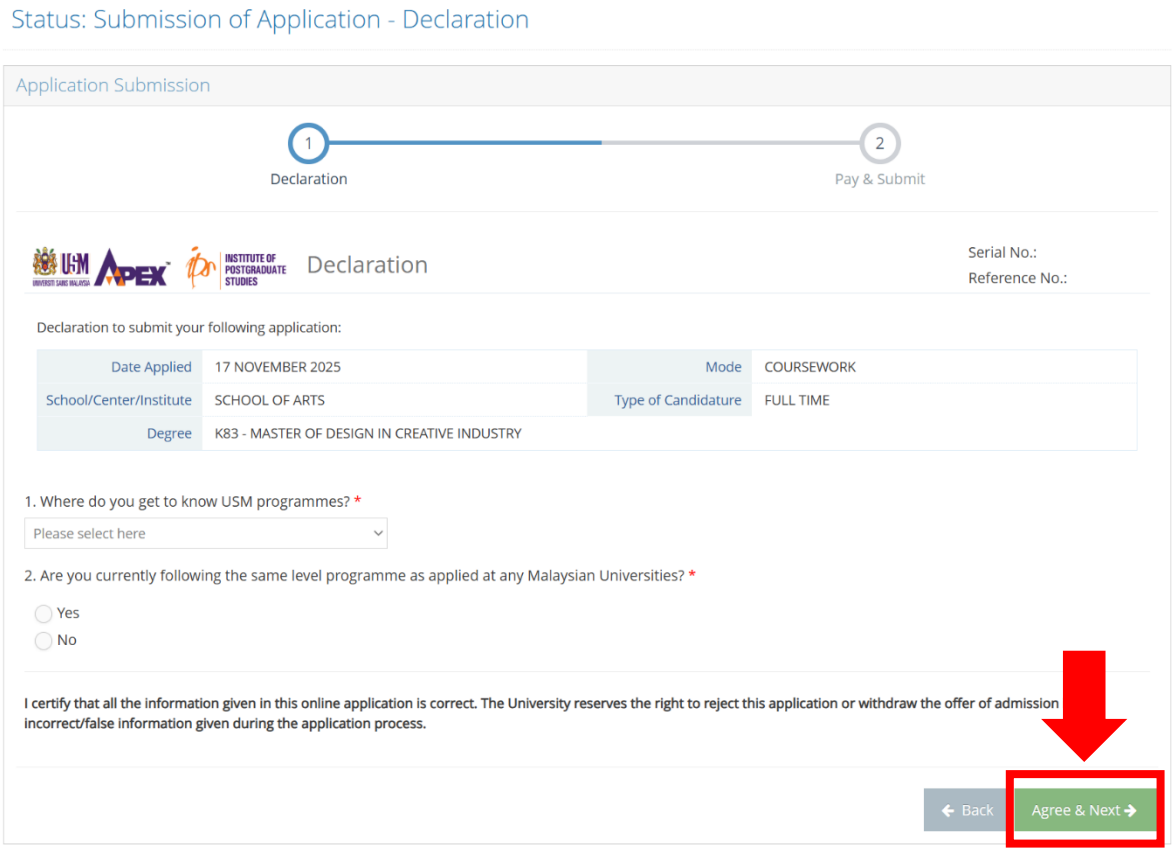

Please be informed that if your application is incomplete, an icon will be displayed on the menu section and the Pay & Submit button will be **disabled** until you have completed your application.

Example of an incomplete application is shown below.

After you have clicked the Pay & Submit button, you will be directed to the Declaration part and click the Agree & Next button to proceed to the Payment part.

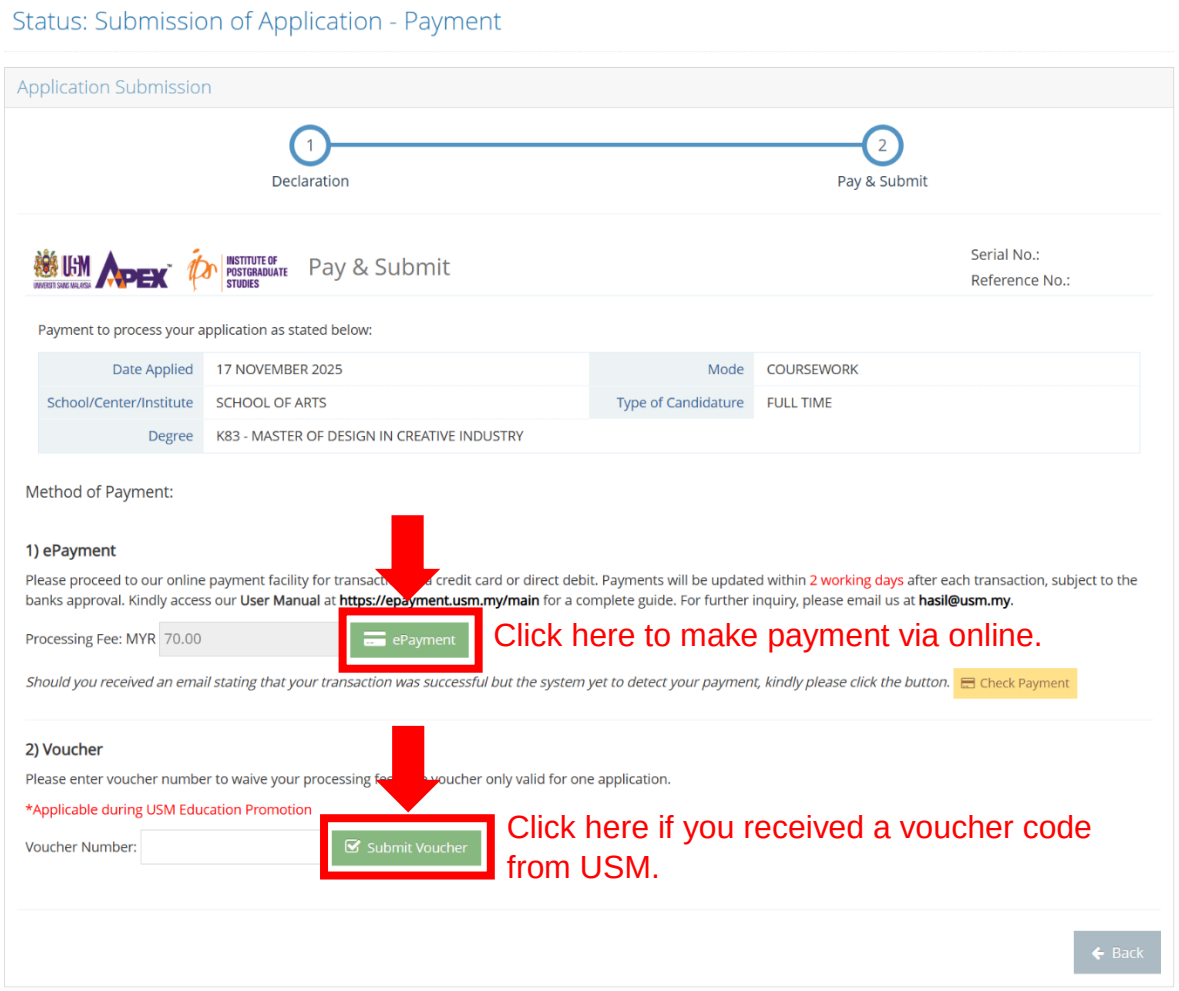

The Declaration part is shown as below.

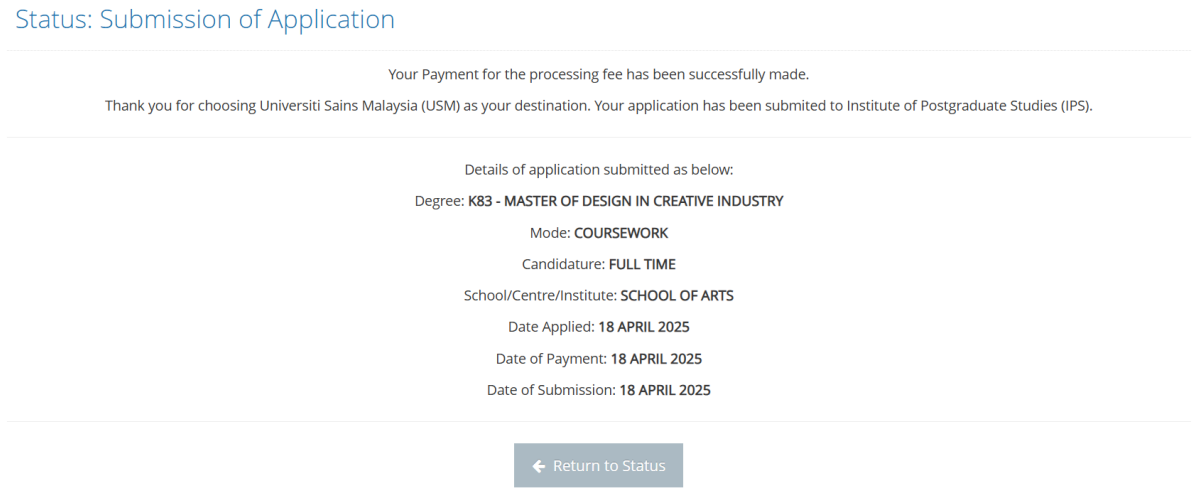

A processing fee applies to each application and there are two(2) methods you can choose to pay for the processing fee.

You may pay via online transaction or if you received a promotional voucher code from USM, you may use it to complete the payment.

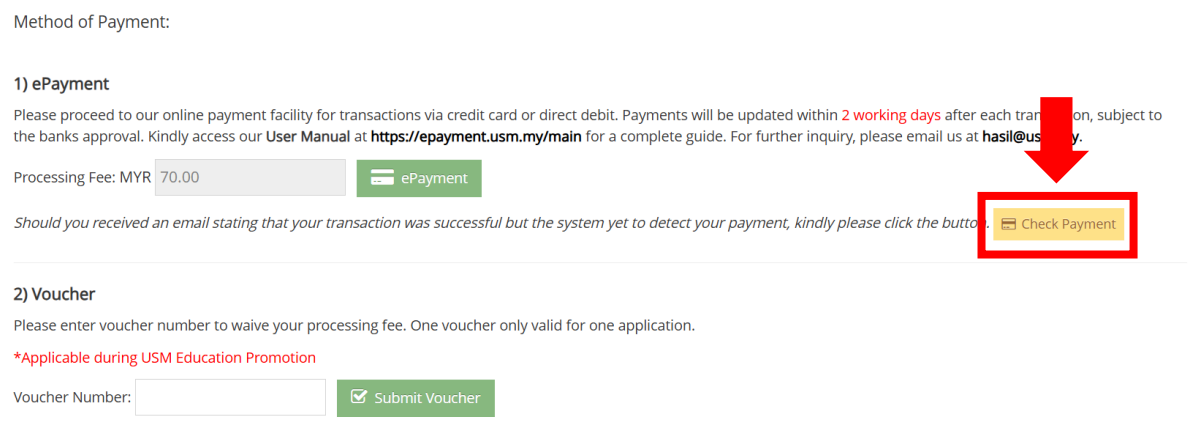

The Payment part is shown as below.

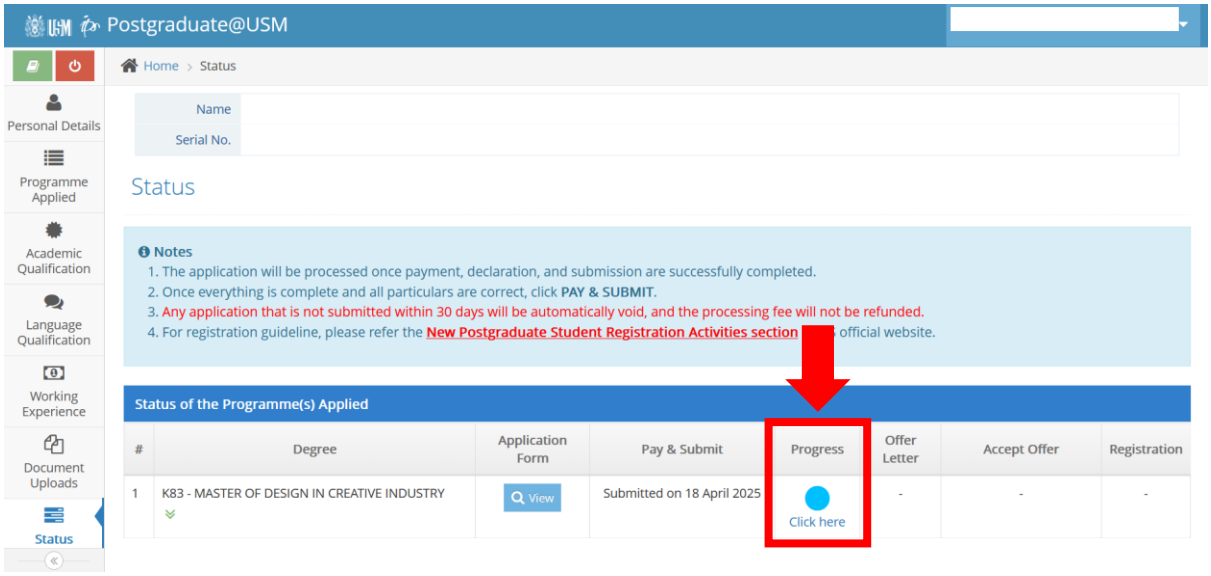

Upon successful payment, the application will be submitted automatically to IPS and confirmation details will be displayed as shown below.

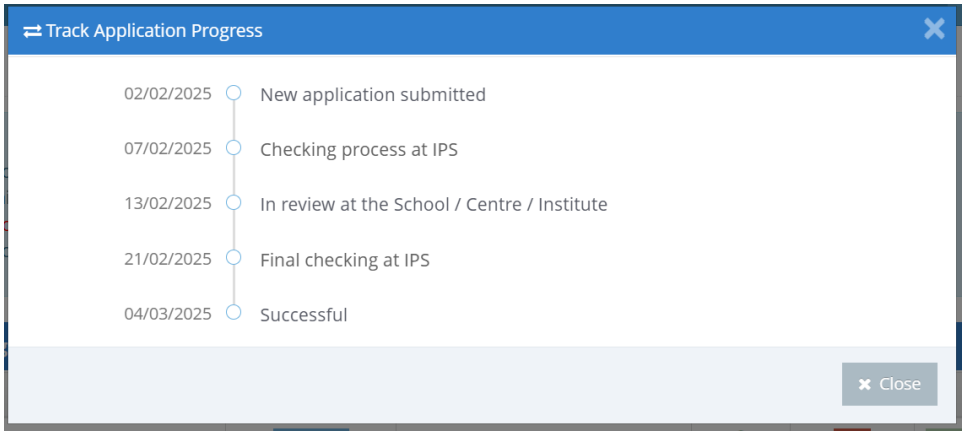

Note: For online payment, if you received an email from USM with a receipt of payment but the system has not yet shown the confirmation details as shown above, please go back into the Payment part again by clicking the Pay & Submit *button and in the Payment part, click the Check Payment button as shown below.*

Once the application has been submitted, your progress of application will be updated. You can track your application status under the Progress column and detailed updates regarding your application will be displayed.

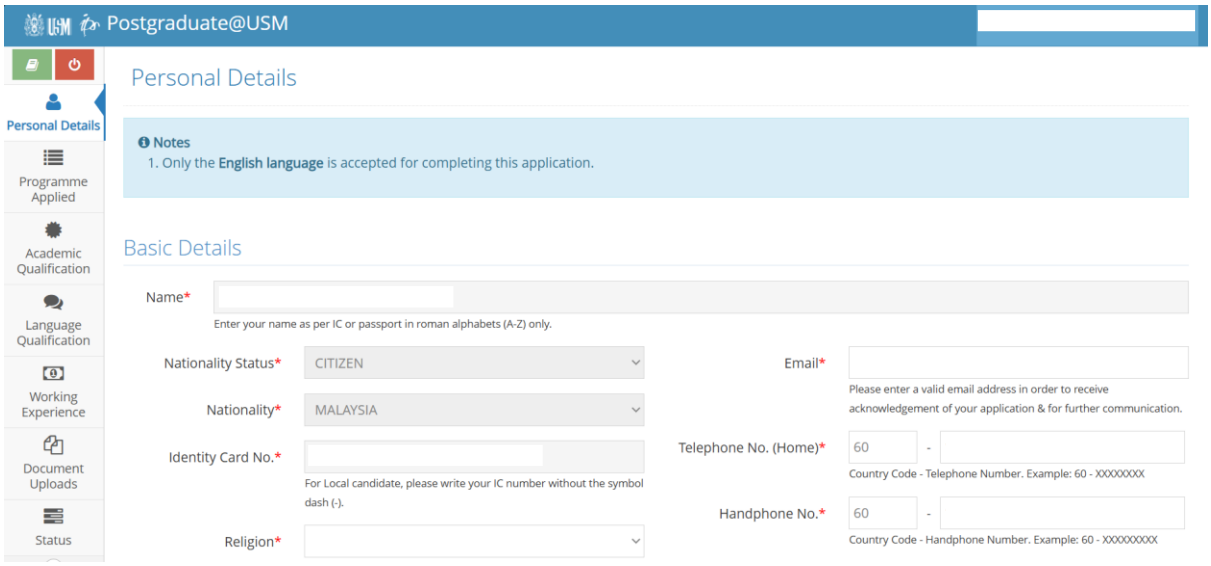

Example of the progress view as shown below.

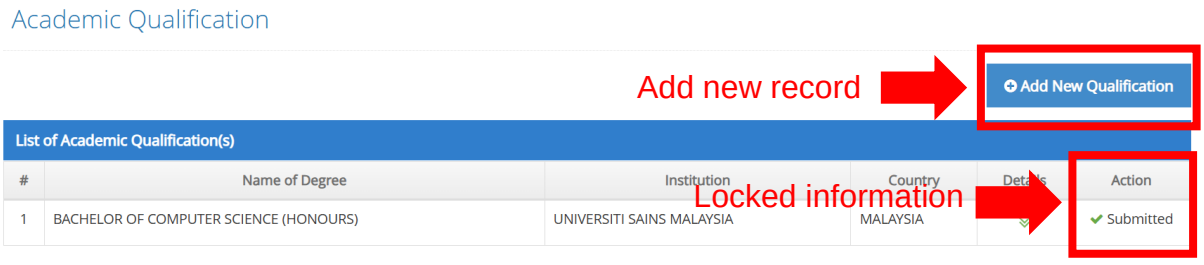

Important Note

Please be well informed that once you have made a submission, most information **will be locked** by the system and any updates afterwards are **not allowed**. Thus, please ensure that all of the information given are correct and accurate before a submission is made.

In Personal Details and Language Qualification section, grey box indicates the locked information.

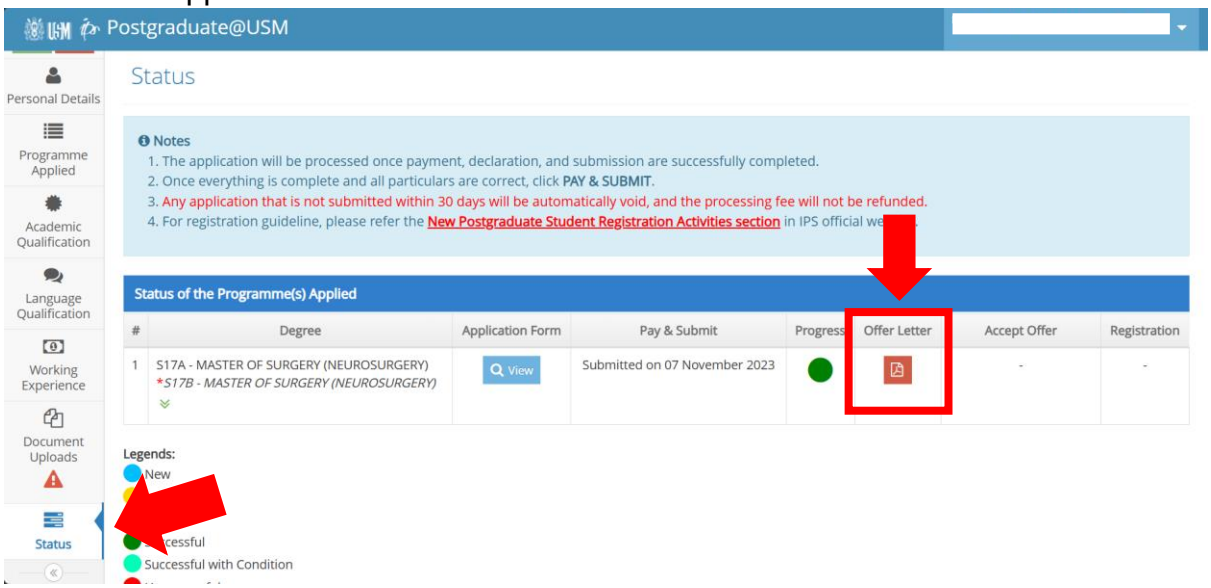

In most other sections, edit or delete a certain record is not allowed. However, you may add a new record.

Receiving an Offer

Successful applicants can view the offer letter in the Status section.
