UNIVERSITY IN THE WORLD

JOINING THE WORLD'S BEST – DEBUTING @ #731-740

You're not just choosing a university — you're stepping into the global spotlight. SEGi University is now officially ranked among the world's best, placing in the 731-740 band in the QS World University Rankings 2026.

This is your chance to learn, grow, and thrive at a university recognised for world-class teaching, real-world impact, and future-ready graduates. Welcome to a community that's not just part of the conversation — we're leading it.

The **Quacquarelli Symonds (QS) World University Rankings** are among the most trusted global benchmarks for university excellence.

There are an estimated 50,000 universities in the world. Of these, QS evaluates over 8,467 institutions worldwide based on academic reputation, employer reputation, faculty-to-student ratio, research impact, and international diversity.

Being ranked means a university has proven its quality, impact, and global relevance — and by joining SEGi, you become part of the world's best.

Being part of a world-ranked university isn't just about prestige — it's about recognition, opportunity and your future.

When you study at SEGi, you're joining a university that the world now recognises for academic excellence, impactful research, and graduate success.

At SEGi, your journey isn't just local — it's global. And this ranking is just the beginning of where your degree can take you.

A GLOBALLY RESPECTED DEGREE
Your qualification carries international weight. A SEGi degree gives you a competitive edge when applying for jobs, scholarships, or further studies abroad.

STRONGER EMPLOYER CONFIDENCE
Employers recognise the QS brand and value graduates from ranked universities. A SEGi degree signals that you're trained to global standards.

ACCESS TO GLOBAL NETWORKS
Join SEGi's international academic and industry community — with opportunities to collaborate, intern, and work around the world.

QUALITY THAT'S PROVEN
From personalised learning and industry-integrated projects to global research and diverse classrooms — you're learning from, and being mentored by, the best.

PRIORITY ACCESS TO INTERNATIONAL PATHWAYS
QS-ranked universities are preferred partners for credit transfers, postgraduate admissions, and student exchange. SEGi offers a smoother route to global education.

HIGHER VALUE IN THE JOB MARKET
A degree from a globally ranked university helps you stand out in competitive job markets — locally and internationally.

LEARNING WITH THE WORLD
You'll study alongside students and academics from across the globe — building cultural intelligence and real-world collaboration skills.

TWO UNIVERSITIES ONE DEGREE EXPERIENCE

A dual award that reflects the confidence of two world class universities in the quality of your education.

UNIVERSITY OF CHICHESTER

SEGi UNIVERSITY

DUAL AWARD PARTNERSHIP

Why graduate once, when you can graduate twice? Earn two degrees from two universities through a single integrated programme.

SEGi University and the University of Chichester, UK have established a dual award partnership built on shared academic values, rigorous quality assurance, and mutual benchmarking of standards and governance.

Through a comprehensive quality assurance process, programmes delivered at SEGi are reviewed, moderated, and benchmarked against the academic standards of the University of Chichester, ranked among the Top 30 in the United Kingdom.

For students, this means graduating with a qualification aligned with UK academic frameworks and recognised internationally, while benefiting from the combined academic expertise of both institutions.
